

MISSION WITHOUT BORDERS

Kateryna tries to maintain a cheerful frame of mind, despite being desperately poor and physically restricted.

“Destiny has never been generous to me, and I've rarely met kind people on the way. Mission Without Borders workers are the exception to this rule - I've never met with so much kindness before.”

- Kateryna, 65

Please pray for Kateryna. On top of her poverty she has also suffered a stroke and from mobility disorders.

MISSION WITHOUT BORDERS

Nina is disabled and cannot walk. She lives with her son, who is an alcoholic, and her husband died a few years ago. At the moment Nina holds a lot of bitterness in her heart.

"Nina is not interested in changing her attitude to life. Mission Without Borders supports her, and our prayer is that her heart will soften."

- MWB coordinator

Please pray for Nina that she will encounter and accept God's love.

MISSION WITHOUT BORDERS

This man is blind and has no relatives or friends to visit him. His wife died two years ago and he only has rare visits from a social worker. He spends most of his time in bed.

"This man is absolutely unprotected and vulnerable. His door is not even locked."
- MWB coordinator

Please thank God that this man is now receiving help from Mission Without Borders. Pray that God will bring light into his life.

MISSION WITHOUT BORDERS

Five days a week, Mission Without Borders Soup Kitchen staff and volunteers visit 49 households in Sarny to provide hot meals and help to the poor. Often these are the only visitors they ever get.

“Winter time is a painful period for many of our elderly that we serve. Most live in old, very cold houses in poor repair.”

- Volodymyr, local coordinator

Please pray that Volodymyr and his team can help bring hope and help to people like this 90-year-old woman. She cannot walk and is very ill.

MISSION WITHOUT BORDERS

Trophym's income is meagre and in summer he keeps chickens and grows vegetables to supplement his income. His bright eyes reveal his still-sharp mind and sense of humour.

To the question, "How's life?" Trophym's tongue-in-cheek answer is, "Easy!"

Please pray that Trophym and others like him will look to God in their difficult situations.

MISSION WITHOUT BORDERS

Kateryna's family's income is about \$48 aud per month. It is difficult to survive on such a small amount and when Kateryna couldn't afford to pay for utilities, their electricity was cut off. They heat their home with firewood.

“These people say that God inspires them to do these things for others. I'm not strong in faith, but their attitude shows me what Christian faith looks like.

- Kateryna, 65

Please pray for Kateryna and the other Soup Kitchen elderly. Pray that they may know God's love for them.

Please pray for the Sarny elderly, that they would find hope beyond their challenges. Pray for the MWB coordinators and volunteers as they strive to make a difference.

MISSION WITHOUT BORDERS

Through Mission Without Borders' Soup Kitchen program, each elderly person living in poverty receives hot meals, regular visits and winter support in the form of firewood, blankets, warm clothing and footwear.

The Bible says it's God's kindness that leads us to repentance.

Please pray that Nina, and others like her, will recognise that God is a kind father, who loves her very much.
